

Deadlines

- By 31th Mai 2017– complete contributions to be submitted
- By 18th August 2017 – authors being informed
- By 08th September 2017 – corrected versions to be handed in

The contributions are going to be collected in a publication with ISBN. For all participants of the symposium an online and password-protected copy of the collected works will be placed at disposal online.

Admission fee

An admission fee will be charged. In case of participating in our dinner party (Referring to *AUTSYM Early bird including evening event.*) you will be asked to transfer € 100.00 to the account given in the e-mail of confirmation. Please use AUTSYM2014 + your name as reference. Excluding our soirée (Referring to *AUTSYM Early bird.*) a charge of € 80.00 will be levied.

**8th International
Symposium
on**

**AUTOMATIC
CONTROL**

21th to 22th Sep. 2017

Following our tradition called into being by Prof. Dr.-Ing. habil. Winfried Schauer in 1997, the 7th AUTSYM is going to take place in September 2014.

VENUE

Hochschule Wismar

University of Applied Sciences
Technology, Business and
Design
Philipp-Müller-Straße 14
23966 Wismar

Objectives

The conference is intended to promote the exchange of experiences between experts in industry and at university.

Issues raised:

- Automation engineering in general
- Mechatronic
- Medical Engineering

Furthermore latest research concerning areas like

- Power generation and distribution
- Communication technology
- Modelling and simulation
- Controlling engineering
- Sensor technology and actuator engineering
- Engineer traini

will be supposed to be discussed.

Programme committee

- *Prof. Dr.-Ing. Peter Dünow*
Hochschule Wismar
- *Prof. Dr. rer. nat. habil. Hartmut Ewald*
Universität Rostock
- *Prof. Dr.-Ing. Torsten Jeinsch*
Universität Rostock
- *Prof. Dr.-Ing. Jens Ladisch*
Fachhochschule Stralsund
- *Prof. Dr.-Ing. Ulf Lezius*
Fachhochschule Lübeck
- *Prof. Dr.-Ing. habil. Gerwald Lichtenberg*
Hochschule für Angewandte Wissenschaften
Hamburg
- *Dr. Thomas Schauer*
Technische Universität Berlin
- *Prof. Dr.-Ing. habil. Olaf Simanski*
Hochschule Wismar
- *Dr. Konrad Stadler*
Zürcher Hochschule für Angewandte
Wissenschaften
